## **Soccer Fields at Yucaipa Regional Park to Get Lights**

On Tuesday, the Board of Supervisors approved Supervisor Hansberger's request to allocate \$10,000 to assist with the environmental costs and permit fees associated with a project to install lighting for the soccer fields at Yucaipa Regional Park.

"There is a lack of lighted soccer fields to meet the current demands of the soccer teams, and this project will help alleviate this concern," said Third District Supervisor Dennis Hansberger.

The County of San Bernardino, through the City of Yucaipa, received a grant from the U.S. Department of Housing and Urban Development (HUD) to install sport field lighting at the existing soccer complex located at Yucaipa Regional Park. However, the grant language specifically precludes the use of the grant funding for environmental work.
